

CQC Charity Fundraiser - Send a Kid to Camp

A Cadet from No. 9 Army Cadet Corp London was diagnosed with *Cystic Fibroses* in August of 2009. As a result the Unit has decided to hold charity events to raise some funds for the equipment and financial burden that Cystic Fibroses has caused on the Cadet's family.

The *Black Arts Society* and *Security Training Solutions* has offered to host a unique **Close Quarter Combat workshop** as a fundraiser to show their support for local Cadets, the child and his family, The workshop will be presided by leading world experts in Close Quarter Combat.

The workshop will be conducted at the Royal School Building, ASU London on 28 March 2010 from 1:00 to 5:00pm.
